**Subject:** Hot Issues - Big City Mayor's Meeting

Good afternoon all,

First, thank you for the hot issues regarding Ron's trip to speak at the LA Solid Waste Association Conference.

The following week on 3/24, Ron is speaking at the Big City Mayor's Meeting in Fort Worth, TX. Mayor Chris Watts of Denton and Mayor Betsy Price of Fort Worth are hosting the meeting. The meeting is attended by mayors from the largest cities in Texas who come together at least twice a year to discuss key issues and receive updates from topical experts and leaders. For the most part, Ron will be talking about the Clean Power Plan but I'm sure there will be other hot topics brought up.

If your division has any hot issues regarding this meeting, please submit them to me in the We Care format by **Noon on Thursday, March 17**. One of the specific issues we'll need background on is Texas Haze.

Let me know if yall need anything and again, thanks so much!
